“Volunteers Needed”

At RARA we rely on volunteers to accompany our clients at all events. Without adequate coverage events could not happen.

We appreciate those that already take the time to help out. Families’ members of our clients are strongly encouraged to help out.

We would like make all “Group Homes” aware that starting with this calendar and future calendars, staff attending with clients on ticketed events will need to notified the office that they are attending with client and make arrangements to come into our office and pay for your tickets in advance. This also helps on our end to ensure we have a correct count.
